

HOW TO FILL IN A SCORESHEET

Scoresheets can be picked up from the outdoor Control Box after half time of the game previous to yours by a responsible person from the first named team. It is important that scoresheets are picked up no later than ten minutes prior to your game, as any later does not give you or the other team time to fill in the scoresheet correctly and this is when mistakes occur.

FILLING IN THE SCORESHEET CORRECTLY IS EACH TEAM'S RESPONSIBILITY NOT THE ASSOCIATION'S.

1. **PLEASE DISREGARD the information found underneath the Home & Away teams.**
2. Fill in the positions beside the seven starting players in column one. Place a tick in column 2 in line with players' names who are substitutions and **only** when they take the court. **Remember – if player's names are not marked off they are NOT credited with playing.** Please **do not** cross any players off the scoresheet.
3. If your team is registering a new player you must write the new player's name on the front of the scoresheet and the position they played. The new player's details must also be recorded on the reverse of the scoresheet under the heading **NEW PLAYER DETAILS** as set out. The player must also be a **current** Netball Victoria member. If the player is not a current Netball Victoria member a membership card **MUST** be purchased **PRIOR** to them taking the court. This compulsory purchase can be made at the outdoor Control Box. Please write player's name, address, phone number and date of birth along with the club and team they are playing for and the amount enclosed on the front of an envelope. If a player is not registered correctly the team will lose points.
4. If your team is borrowing a player (you can only borrow a player from a **LOWER SECTION**) write the player's name and the position they played on the front of the scoresheet. The borrowed player's details must also be recorded on the reverse of the scoresheet under the heading **BORROWED PLAYERS** as set out. If a borrowed player is to play in the team as a permanent member please indicate this as well under the above heading. If a player is not borrowed correctly the team will lose points.
5. The progressive score is a matter of choice for the scorers – they may choose to use it or not to use it. There will be no penalty applied either way. The **official and only** score we will accept is the score in the boxes.
6. Please keep the centre passes so if the umpire appeals to you you can tell them.
7. **Both** scorers **must** sign the scoresheet once they are satisfied all the information contained thereon is correct. **No** penalty will be applied if there are not two signatures, however, if the team/s without the scorer's signature/s dispute the scoresheet in any way after it has been handed in at the control box it will be dismissed, as the rule has not been complied with. It is in your club's best interest to ensure this is done each week.

REMEMBER - It is **your club's responsibility** not the association's to complete the scoresheet correctly. Ignorance is no excuse and we are more than happy to explain the scoresheet to those still confused prior to the game, after is too late and penalties will apply.

If the appointed person/s for the team follows these simple steps there should be no loss of hard-earned points for any team. Please make a conscious effort to arrive early, fill in the scoresheet correctly and seek out the other team personnel within a reasonable time to enable them to do the same.
